## *FINANCE DEPARTMENT*

## OFFICE OF THE DEPUTY COMMISSIONER, TREASURY DEPARTMENT, STATE HUZUR TREASURY, BANGALORE.

Dated 30th January 1963.

To

All Drawing Officers,

Bangalore City.

Sir,

*Subject.*—Detailed contingent bills for supplies and services—Presentation at the Treasury during March 1963.

**No. SHT Estt P.R. 569/62-63.** Inspite of the financial rules that rush of expenditure towards the fag end of the year should be strictly avoided and inspite of the repeated instructions issued by this treasury to the drawing officers to present the bills well in advance during the month of March, it has been the experience of this treasury that detailed contingent bills of a number of departments in respect of supplies and services rendered as also bills towards grant-in-aid are presented for encashment at the treasury in very large numbers on the last 2 or 3 days of the month of March causing no small inconvenience and embarasment to the treasury staff in their having to arrange for payment of all such bills before the close of the month, in addition to passing of the regular pay bills for March 1963 payable in April 1963 and to arrange for issue of cheques in lieu thereof. These difficulties of the Treasury have been, time and again, brought to the notice of all the departmental drawing officers every year without effect.

With a view to avoid inconvenience and undue strain both to the Treasury staff and the Drawing Officers as well, as the public and to enable the cheque section of this office to issue the cheques well in time, I request you kindly to see that all bills for supplies and services and those towards grants, relating to 1962-63, are presented at the Treasury before the 15th of March 1963 for scrutiny and issue of cheques. Issue of cheques in respect of detailed contingent bills presented after the above date cannot be ensured particularly in view of the rush of salary and establishment bills for March 1963.

Most of the grant bills and belated contingent bills which are preaudited by the Accountant General, Mysore, Bangalore, are likely to be received late during March and will be held up for want of payee's advice. As such, the parties and the Drawing Officers are requested to make suitable arrangements to secure these advices of the Accountant General and claim the payment of the preaudited bills, well in time.

The bills for Festival Advances (Ugadi) may be presented at the counters of this treasury well in advance to avoid congestion and delay in payments.

It is hoped that you would kindly co-operate with the Treasury in this behalf and make necessary arrangements from now on to ensure presentation of all detailed contingent bills sufficiently well in advance and positively before the date noted above.

Your Faithfully,

7470 ....., *Deputy Commr.*
